New Christmas Essentials!

JULY • AUGUST • SEPTEMBER 2025

Studio Light die-cut paper pads – Christmas cardmaking made easy

Create magical Christmas cards in no time with Studio Light's Die-Cut Paper Pads!

- Each pad includes:
- 8 die-cut sheets with embellishments
 - 4 A6 card fronts (2 designs x 2)
 - 16 background papers

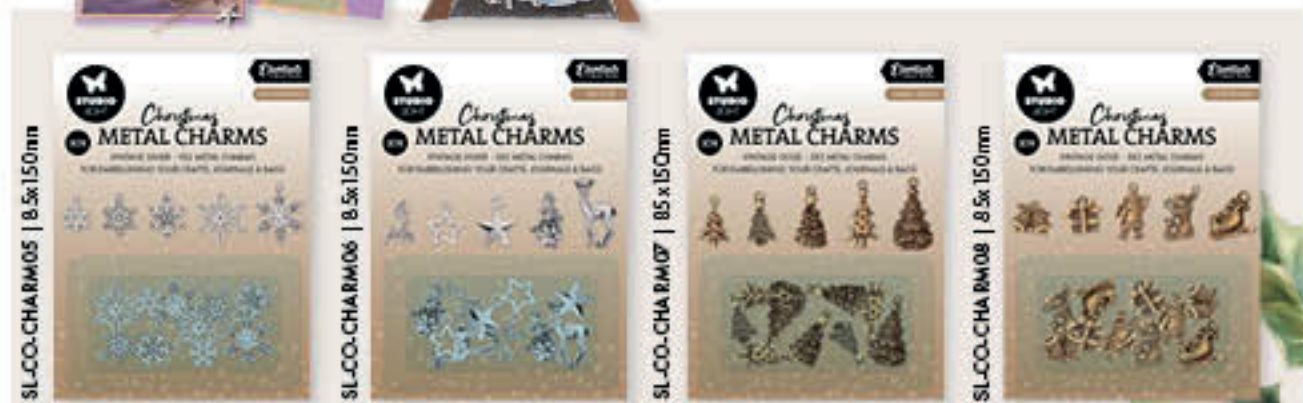

Available in two festive styles that match the Fairy Christmas and Winter Wonderland collections (June release).

Great for quick, creative, and beautiful holiday projects. No cutting needed!

Creative Christmas stencils

Make your own festive envelopes with a cute Christmas tree on the back, and craft a unique tree-shaped gift box. Perfect for small gifts and holiday cheer. A fun and easy way to add that handmade magic to your Christmas!

Add festive texture!
Perfect match with our die-cut paper pads for magical Christmas cards!

Gift box paper pads

Add a personal touch to your Christmas gifts! There are 4 different box designs, each in 3 colors, 6 sheets per color. Simply fold to create beautiful gift boxes. Ideal for small presents, treats, or holiday decorations. Easy, fun, and full of seasonal charm!

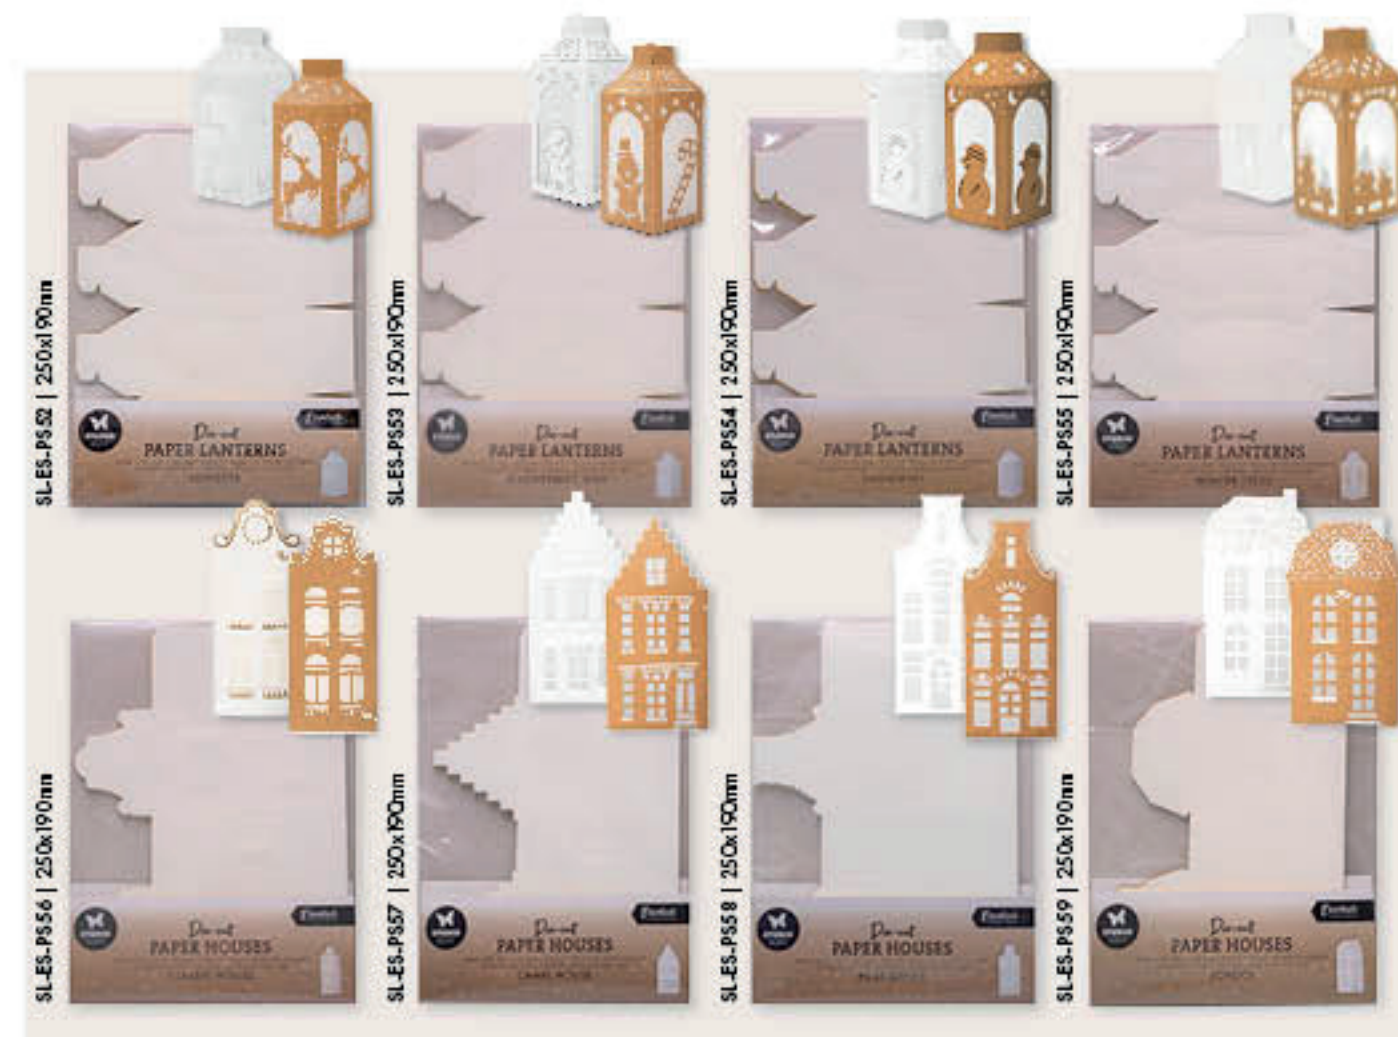

Graphite pencil set

Explore your creativity with this complete graphite pencil set, great for sketching, shading and detailed drawing. Includes a variety of pencil grades to suit every style.

Matching accessories such as blending stumps, sharpener and erasers will be available in September.

See page 30 for all the details.

Fold, stick & decorate!

Create magical Christmas lanterns and cozy paper houses with these festive paper sets. Each set includes pre-cut designs. Just fold, glue, and decorate! Perfect for crafting charming winter scenes or adding a handmade touch to your holiday decoration.

This Christmas collage pad is filled with cute animals and festive backgrounds. Great for layering, creating scenes, and adding a playful touch to your holiday crafts!

Your happy place on paper
