Memento ink pads - Memento is a Dye ink, it's a quick drying ink that doesn't fade and gives a good coverage. The ink can also be used on glossy paper. The stamp pad has a solid felted surface with a tightly woven fabric top that does not fray when used directly on paper. It is a water-based ink which makes it suitable for coloring images with water and a brush.

Memento Luxe Ink pad

Memento Luxe ink is a thick gel-like pigment ink with a matte-velvety look, fast drying, and will not fade. This ink ensures an even covering result. In 24 beautiful, bright colors.

Mixed Media ink for use on porous surfaces, but can also be applied on fabric, when fixed. For example stamp on a T-shirt with Memento Luxe and color with Fabrico.

Perfect ink for Mixed Media and all paperdesigns.

Relatively quick drying ink for a pigment ink. Does not fade

Memento DewDrop InkPad Sets - 12 packs

DELICATA

Delicata, a metallic gold or silver ink that doesn't become dull or lose its luster. Beautiful metallic results without embossing. Paper can be colored with Delicata ink and its waterproof. For the best shine air dry, do not use a heating tool. Dries quickly on porous papers. Great alternative to gold leafing.

VERSAMAGIC

Versa Magic, a chalk pigment ink that dries on all types of cardstock, but also on darker colors.

A soft, opaque, chalky look, without the powdery residue like chalk. With beautiful pastel colors and earth tones that give a matte appearance, this is a perfect ink for stamping techniques, for the use of mask stencils and for direct use on paper.

Available as ink pad, dew drops and inkers.

VERSACRAFT

This ink is suitable for the use in porous surfaces and is specially developed for use on fabrics and leather. Due to the drying time also very suitable for heat embossing and on smooth paper.

- Stamping ink
- Waterbased
- Slowly drying
- A versatile ink, especially suitable for use on porous surfaces, such as fabric, leather and wood.
- Also suitable for non porous materials, such as: paper and porcelain.

Fabrico Marker

Fabrico Markers are ideal for natural fabrics, cotton, tea towel linens and napkins and all other natural porous surfaces. Ink is permanent after washing and will maintain the natural soft hand of your fabric. These markers feature a brush point for coloring and a bullet point for smaller details.

Ink

SOLVENT-BASED

STAZON

- Solvent based pigment ink
- Dries quickly on most surfaces including paper, metal, glass, plastic and acetate
- Layer multiple colors of SZ Pigment (without use of SZ Glaze)
- Can be used with embossing powder, even on non-porous surfaces
- Produces crisp stamped images
- Vibrant and opaque ink colors

The Essential Glue pad + inker

22580 (GP-002)

The Essential Glue Pad offers a clear adhesive for all your stamping and creative needs. No heat setting required.

Perfect for pearlescent powders, chinks, metallic foils, ultra-fine glitter, embossing powders and a lot more

The Essential Glue Pad kit includes a dry pad with an inner protective liner and one bottle of adhesive; 0.5 fl oz adhesive refill bottles available.

Inkpad Clear

369950 (SEM-C)

Full-size Emboss inkpads are the ideal medium for all your embossing needs. Tacky ink grabs and holds embossing powders until heat-setting is complete. Water-based, slow drying and capable of reproducing highly detailed stamped images.

Inkpad Tinted Pink

369951 (SEM-T)

Inker Clear

369952 (SEMR-C)

Inker Pink

369953 (SEMR-T)

Stamp Cleaner

369004 (SCL-56)

For cleaning all kinds of stamps and all inks, as well water- as solvent based. Acid free.

Uninked Full Size Encreur

369954 (UFP)

Full-sized, un-inked, dense white foam inkpad is specifically designed for Tsukineko's water-based pigment inks and any of Tsukineko's six colors of stazon opaque inks.

Reusable Cling Sheet

360009 (TP-000-001T)

Clear sheets are a unique reusable product designed for creating stamping block images.
