

Mini caravan in a wooden suitcase

Tiny Mouse House

**Turn a mini suitcase into a mini caravan.
Including interior, pets and Mouse.**

.....

What do you need? for the outside

- * Wooden suitcase
- * Clay
- * Wooden ice cream sticks
- * Acrylic paint
- * Lace
- * Styrofoam ball
- * Glue

How to make it?

Cut a styrofoam ball in two parts and attach these under the briefcase, so it looks like it's on wheels. Paint the suitcase in an even color. For a natural effect, paint the edges in a darker shade. Make the windows and doors of wooden ice cream sticks. You can see the cats behind the window cut these from a napkin or magazine. Cut the grin out of the lace. Finally, you glue all parts of the suitcase.

The outside is ready!

the furniture >

How to

Use for the furniture the doll furniture from Stafil. You just need to paint them. The cushions are made of felt and the tablecloth is made of a piece of napkin. The box is made of three matchboxes on top of each other, with three ice cream sticks at the back. The buttons are made of clay.

What do you need?

for the furniture

- * Wooden furniture
- * Matchboxes, 3x
- * Felt
- * Clay
- * Glue/napkin glue
- * Acrylic paint
- * Napkins
- * Fabric

What do you need?

for the mouse

- * Styrofoam egg
- * Wool felt
- * Pen needle
- * Clay
- * Acrylic paint

How to make it?

1 Use a styrofoam egg as a base. Punch this completely filled with wool felt. **2/3** Then make the loose parts such as, ears, arms, legs.

4 Finally, make clay shoes so that the mouse can stand independently.

Do you find this step too difficult?
then of course you can too
buy a little doll or cuddly toy
